

Dear Teachers and Friends of the FFA,

On behalf of the Weston Ranch FFA we would like to invite you to participate with your classes in our first annual Thanksgiving Family Dinner Sponsorship. In recognizing that not all families have the means needed to have a holiday dinner. We would like to take a step in providing support to those families in our community that are in need. It is our hope and goal that each club/team would want to collect items for at least 1 whole thanksgiving dinner. Any frozen items collected can be stored in the Ag department ahead of time.

If your class would like to help the community, the list below is what we are asking to be donated for the family dinners. Please feel free to donate other food items as you see fit in addition. If you would like to donate more than the number of items requested, any leftover items will be delivered to families as well. It would be a great way for students to sign up to bring in a specific item from the list below to help out their community.

- 2 boxes of Stuffing
- 2 boxes of Mashed Potatoes
- 2 packets or cans of Gravy
- Sweet Potatoes
- 1 Pie (Frozen)
- 4 Cans of vegetables (green beans, Corn, etc.)
- 4-8 Dinner rolls
- 2 cans of Cranberry sauce
- 1 can of Whipped Cream
- 1 small bag of Marshmallows
- 1 Turkey or Ham (Frozen)

Don't forget the pets! We are collecting pet food donations during the holidays too!

- Any type of Pet food
- Unused pet toys

These items will be due to Mr. Livengood's room, 904 on Monday, November 21st. Anything frozen can be sent ahead of time to be stored in Ag Freezers. Each family will know which club has donated their dinner. Also this is a great opportunity to all the different clubs to help and earn community service hours. We appreciate all your help in this donation event.

Sincerely,

Weston Ranch FFA Officers, Members and Advisors

Ready to help your school community? **YES? or NO?**
